TF30 - 300kg Scissor lift table

The TF series of mobile lifting tables feature a hydraulic lever and trigger controlled and regulated lowering system.

They are made from a steel construction, the platform made from sheet steel and a chrome plated handle. These scissor lift tables come with a high quality hydraulic pump as well as having a high quality powder coating finish.

They have 2 fixed wheels and 2 steering wheels, 2 fitted with brakes. Polyetherane (PU) Wheels are used, which provide quiet operation and good grip. CE Certified.

The TF30 lift table truck can lift 300kg from a minimum lift height of 340mm upto a maximum lift height of 880mm.

We provide a nationwide 2-3 day delivery service with next day delivery available on request.
All of our products come with a twelve limited month warranty
