## ESP20 - 705x1220mm Eoslift Weigh Scale Pallet Truck

This Eoslift weigh scale pallet truck offers a versatile weighing solution, particularly suited for busy warehouse environments.

With a 2000kg capacity readout in 1kg steps, it offers good accuracy (+/-0.03% of the applied load).

The unit is powered by 4 mains rechargeable AA batteries, and the charger and batteries are supplied with the unit.

The scale head unit has a 5 button keyboard, offering such functions as gross/net weighing, total weighing and piece counting.

The pallet truck scale also features a full range tare facility,

Across the fork dimensions of 705x1220mm, the ideal size for the most common GKN blue chep pallets, but also suitable for the larger pallets.
