Eoslift ESP20P-560x1150mm Weigh Scale Pallet Truck With Printer

This Eoslift weigh scale pallet truck with printer offers a weighing solution for many business, it is particularly suited for busy warehouse environments, allowing you to weigh and record a printed record of a weight, without the restriction of area and power supply.

With a 2000kg capacity readout in 1kg steps, it offers good accuracy (+/-0.03% of the applied load).

The unit is powered by 4 mains rechargeable AA batteries and the charger and batteries are supplied with the unit.

The scale head unit has a 5 button keyboard, offering such functions as gross/net weighing, total weighing, piece counting and print.

Full range tare facility

Across the fork dimensions of 560x1150mm, the ideal size for the most common euro pallets, but also suitable for the larger pallets.

Confirms to EN1757-2
