EFS1016G 1000kg Manual Stacker Truck

EFS1016G is a manual stacker truck, with 1000kg capacity and a maximum lift height of 1.6 metres.

Robust steel profile, precision engineered for smooth operation and performance.

An economical lifting solution for lifting pallets, skids and dies.

Ideal for operating in small areas, no license is required to operate a manual stacker truck.

Lift functions are operated by foot and hand controls.

CE Approved and conforms to EN1757-1

Chip and corrosion resistant paint finish.

Note: This model is designed to lift open bottoms pallets or skids only - other models are available to lift closed bottom pallets.

We provide a nationwide 2-3 day delivery service with next day delivery available on request.
All of our products come with a twelve limited month warranty
