## The AC-TWO-B Wide Traverse pallet truck

The AC-TWO-B is a traverse movement pallet truck, it offers the ability to manoeuvre wide loads through standard aisles transversely.

The additional set of wheels on the traverse pallet truck allows it to be moved sideways, this is in addition to the conventional front and backward directions.

Built around the same quality, with the same features of our AC25B best selling wide pallet truck.

We provide a nationwide 2-3 day delivery service with next day delivery available on request.  
All of our products come with a twelve limited month warranty
