AC25-520x1000 Hand Pallet Truck

Our best selling AC25A truck, with a standard width, but with a smaller than standard length. Suited for when pallets are smaller and no protrusion is required. If you are unsure of what pallet truck you require, then please contact our technical sales desk for assistance.

A reliable hand pallet truck which has a 2500kg capacity and featuring a german designed hydraulic pump unit.

Reliable, sturdy, torsion-resistant due to its extremely strong high quality steel profile and German Wagner standard painting system, ensuring the best powder coating and painting quality.

All pivot points are greased to ensure excellent manoeuvrability with effortless steering.

Chromed bearing bushes and joints ensure quiet running properties and a particularly long service life.

Supplied as standard with double PU rollers. Double rollers help spread the load, making manoeuvring larger loads easier.

3 position handle

540x1000mm across the forks

Fork widths of 160mm, leaving a gap between forks of 220mm

We provide a nationwide 2-3 day delivery service with next day delivery available on request.
All of our products come with a twelve month return to base limited warranty
