Overall width across the forks	520
Fork length	900
Net Weight	71

## DF25 520x900 Small Pallet Truck

A small pallet truck with dimensions across the forks of 520x900mm, but still with a 2500kg capacity, making it better for lifting smaller pallets or operating in a more confined area.

The DF series of pallet trucks is a professional and ideal storage aid for manual transport tasks over short distances in stores and warehouses, as well as factory plants.

German standard Wagner painting system ensures best powder coating and painting quality.

All pivot points are greased ensuring excellent maneuverability with effortless steering. The chromed bearing bushes and joints ensure quiet running properties and particularly long service life

Additional entry and exit fork rollers help ensure smooth loading and unload of pallets.

Conforms to EN 1757-2
