## DF25 685x800 Hand Pallet Truck

A hand pallet truck with more unusual dimensions across the forks - 685x800mm, with a 2500kg capacity, which makes it more useful for moving more unusual load lifting requirements.

The DF series of pump trucks is a professional and ideal storage aid for manual transport tasks over short distances in stores and warehouses, as well as factory plants.

German standard Wagner painting system ensures best powder coating and painting quality.

All pivot points are greased ensuring excellent maneuverability with effortless steering. The chromed bearing bushes and joints ensure quiet running properties and particularly long service life

Additional entry and exit fork rollers help ensure smooth loading and unload of pallets.
