## Eoslift DBA25 Pallet Truck

This Eoslift pallet truck is a very popular choice and with fork sizes of 540x1150mm, it is ideal for euro pallets.

Supplied with Polyutherane wheels for quieter running that offers more grip and offers better protection against damage on delicate flooring.

TUV/GS Approved and CE rated.

2500kg Capacity and Heavy Duty Construction.

Integral pump body, with all major rotating points equipped with oil free self-lubricating bearings or injection nozzles.

Single step moulding process, with fork and frames welded by robot.
