EFS1030 1000kg Manual Stacker Truck

EFS1030 is a manual stacker truck, with 1000kg capacity and a maximum lift height of 3.0 metres.

Robust steel profile, precision engineered for smooth operation and performance - C shaped steel helps provide strength and rigidity.

An economical lifting solution for lifting pallets, skids and dies.

Ideal for operating in small areas, no license is required to operate a manual stacker truck.

CE Approved and conforms to EN1757-1

Chip and corrosion resistant paint finish.

Note: This model is designed to lift open bottoms pallets or skids only - other models are available to lift closed bottom pallets.

2 stage mast to reach the 3 metre height

We provide a nationwide 2-3 day delivery service with next day delivery available on request.
All of our products come with a twelve limited month warranty
