

PTH500 MANUAL THREE SCISSOR LIFT TABLE

PTH500 is a manual lift table with a 2 metre maximum lift height and 500kg capacity.

The lift table has rear locking wheels and the table is raised and lowered by foot movement.

The lift table top measures 905x500mm and the minimum lowered height is 530mm.

The trucks 125mm diameter wheels are polyurethane coated which helps to prevent floor marks.

Supplied with a CE certificate and a manual containing instructions and a maintenance guide.
