

RP1250A Rough Terrain Pallet Truck

Rough terrain pallet trucks are designed for use in areas where normal pallet trucks cannot be used easily, due to surface type or debris.

Model RP1250A has a 1250kg capacity and the fork height can be 70mm-240mm.

The 120mm wide forks can be altered, so width across them can be adjusted to give any outside diameter from 256mm to 680mm.

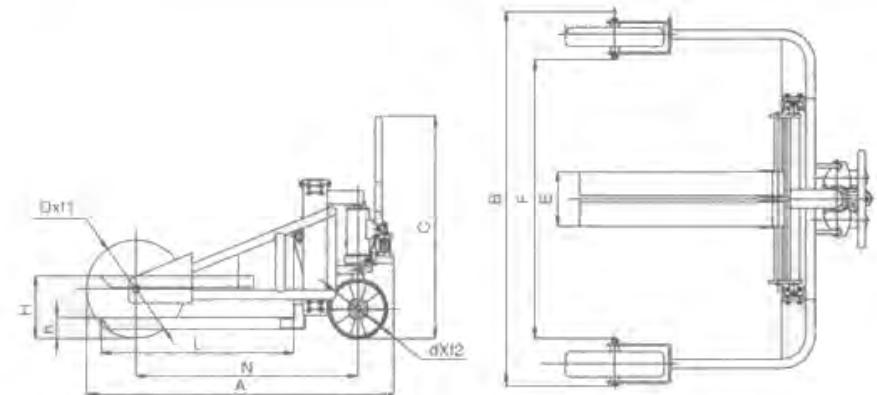

Distance between the front wheels is 1230mm.
